Dear Sirs,
I am writing to you to inform you that I have received your letter of the 12th of June 2001. I am sorry that I have not been able to reply to you earlier. I am currently on a sabbatical leave from the University of Chicago and am therefore unable to attend to my correspondence. I will be returning to the University in the fall of 2001 and will then be able to reply to you in more detail. I am sure that you will understand my situation and will be patient with me. I am very grateful for your letter and for the interest you have shown in my work. I will be sure to keep you informed of any developments in my research.

Yours faithfully,
